

Throughout the school year we will be taking photos of children in the classroom because we believe in the benefit of using real life pictures in our educational program. Photos taken of the children will be done with a school owned camera and will only be used in our program. If parents choose to take pictures of events held at our program, they may only photograph their child, unless written permission is given by the other parent. Photos will/can be used for various activities such as art projects, parent gifts or on Friendswood Children's House website or social media. Any picture that is posted on Friendswood Children's House website or social media will **NOT** have the child's name posted.
