

**KINDERGARTEN READING READINESS
SUMMER CAMP
JULY 15-AUGUST 1, 2019**

Kindergarten Reading Readiness Summer Camp is designed to bring the magic and fun back into learning! It provides an opportunity for students to gain a sense of accomplishment and love for reading. The class is small and designed to promote individualized advancement. The three-week curriculum meets four days per week, Monday-Thursday from 9:00 am until 12:00 noon. It begins July 15, 2019 and will conclude on August 1, 2019. Children will look forward to learning as Friendswood Children's House offers Kindergarten Reading Readiness Summer Camp, a readiness program designed for children entering or having just completed Kindergarten. This camp focuses on development of language skills such as phonological awareness, letter/sound recognition, writing, spelling, and basic sight words. Space is limited, so secure your spot today!

Registration begins Monday, April 10, 2019

Summer Robotics Camp

Come Build With Us at **Snapology Camp**!!

This summer Snapology will join us at Friendswood Children's House the week of June 10-14 and will conduct a Robotics Camp for children ages 5-8. If your child loves science, math, mechanics, technology, or things that move, this STEM camp is perfect for their interests! Snapology will bring in laptops, gears, sensors, motors, and other materials to teach the students how to build and write code for various simple machines. What a great way to kick off the summer and to keep your child engaged and learning in the process!! Space is limited, so secure your spot today!
