- Automatic Arm Restraints
- Powder Coat Finish
- Free 12 Piece Truck Adapter Set
- Shipping Weight: 1,640 LBS.
- 5 yr Structural ♦ 2 yr Hydraulic Warranty ♦ Parts Only
- This part number FREIGHT PREPAID

The Atlas® BP10000X commercial grade 2 post baseplate lift is built for those customers who want to lift heavy vehicles in a low ceiling garage. The Atlas® BP10000X incorporates the popular single point lock release columns have a middle welded support gusset that adds extra strength to the oversized columns. If you need to lift a one ton dually or a Smart Car and only have an 11 foot ceiling, this is the lift for your shop.
