

**6,000 LB.
SINGLE COLUMN
PARKING LIFT**

*Now you can double your parking space.
Safe, easy to use parking lift takes up minimal
space yet doubles your parking.*

SP-6K-SS
Single column
Parking lift

Features:

- ◆ 6,000 lb. capacity can handle most vehicles and light trucks
- ◆ Low profile approach ramps for vehicles with low ground clearance
- ◆ Lift can be installed to lift from left or right side
- ◆ Minimal footprint allows for multiple installations
- ◆ Low post height allows for low ceiling residential installations
- ◆ Commercial grade hydraulic cylinder and heavy-duty leaf chain
- ◆ Reliable DURO electric/hydraulic pump
