

Thank you for your interest in the 2020 Rice County Commissioners election.

I have answered questions about Rice County and its future for the Faribault Daily News and have also addressed them in an interview with Gordy at KDHL. You will find my ideas and opinions on these issues in those places, which are made available to all Rice County residents. In those forums, I discuss my views on the balance of agriculture, commercial enterprise, and residential concerns in the County.

Answers were published in the Faribault Daily News on October 13, 2020. The radio interview can be found at <https://kdhlradio.com/get-to-know-rice-county-board-of-commissioners-candidates/>

All the best,

Jeff Docken
