SERVICES PRICE LIST

By Appointment Only

If you have a few pieces and you're not sure what you have, it is NO charge to come in and see if your pieces are worth appraising or brokering. Just reach out for an appointment and we are happy to take a quick look.

Full Insurance Appraisal Report Appraisal includes a thorough description of jewelry, gems, pictures of the item, and Retail Replacement Value. Includes cleaning, metal testing, gem testing, and checking gem settings for security and condition. Diamonds over 1.00 carat and over get a Clarity Characteristics Plot.	1st Item **$135.00** Additional items **$100 ea.** **+ $20.00** for each natural diamond 1 ct. or more
Estate Appraisals for Equitable Distribution Appraisal includes a thorough description of jewelry, gems, pictures of the item, and Fair Market Value. Includes metal testing, gem testing, and checking gem settings for security and condition. In order to maintain the condition of the item as close to possible as it was originally presented to the appraiser, items are cleaned only so much as is needed to grade the gemstones. Diamonds over 1.00 carat and over get a Clarity Characteristics Plot.	1st Item **$200.00** Additional items **$150 ea.** **+ $20.00** for each natural diamond 1 ct. or more
Appraisal Report of Complex Items (i.e. Item has many gems, charm bracelets, etc.)	Price quoted per item
Updates of existing insurance appraisals filed in office within last 5 years	50% of fees above
Verbal Evaluation (billed in ¼ hr increments, minimum ½ hour charge) Verbal evaluation is done during an appointment and does not include notes or paperwork. Verbal evaluation is recommended for sorting items for relative value, what is "real" vs. not "real," or if you just want to know the history and era of what you have. The client may take notes and take photos of the items being processed for their records, during the session.	**$200.00/hr.**
Diamond Color & Clarity (per diamond, no value conclusion) Using GIA grading standards. No official paperwork, no images, just hand-written on a receipt.	**$50.00**
Gem Identification (per stone, no value conclusion) Using GIA grading standards. No official paperwork, no images, just hand-written on a receipt.	**$40.00**
On-Site Appraisals or Evaluations (per day, within 25-mile radius of Portland) Services are the same as described above. Report delivery time will be discussed while arranging the appointment with the client.	**Appraisal/Sorting Fees** **+ $250.00**
