## *Veilig en efficiënt verpakken en verzenden.*

### Packing and shipping safely and efficiently.

Samen met Paardekooper, levert Broekhof een compleet assortiment aan postverzendozen dat speciaal ontwikkeld is voor het versturen van bloemen en planten.

Dit assortiment heeft het Sendproof® kwaliteitslabel en is dus bij uitstek geschikt om uw bloemen en planten in optimale conditie bij de consument te laten aankomen, via onder andere het automatische sorteersysteem van PostNL.

Deze dozen zijn helaas niet (allemaal) verkrijgbaar via onze webshop vanwege de ongevouwen (plano) grootte van deze dozen. Maar vanzelfsprekend staat ons verkoopteam klaar om u van alle informatie te voorzien over ons standaard assortiment en de mogelijkheden om uw postverzendoos te laten personaliseren.

In cooperation with Paardekooper, Broekhof offers a complete range of postal delivery boxes specially developed for sending flowers and plants.

This range has the Sendproof® quality label and is therefore ideal to deliver your flowers and plants in optimal condition to the consumer through the automatic sorting systems of postal companies.

Despite not all boxes being available through our webshop due to their unfolded size, our sales team is always ready to provide information about our standard range, as well as the possibilities to personalize your postal delivery box.
