

Dear Student _____

Welcome to Kindergarten! I hope this letter finds you enjoying the last days of summer. My name is _____, and I am so excited to be your child's teacher this year.

Starting kindergarten is a very special milestone. This year will be filled with learning, laughter, new friendships, and lots of growth. I feel honored to be part of your child's first school experience and look forward to working together to make this a positive and joyful year.

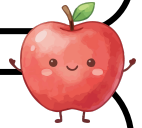

In our classroom, students will learn through play, exploration, stories, and hands-on activities. We will practice kindness, take turns, try new things, and celebrate progress every day. I can't wait to watch your child learn and shine!
