

Shalom,

Summer is here, and looking back on all that has been experienced, I want to give praises to God for all the things! God is faithful and to Him belongs all the glory!

I thank everyone for your prayers, because prayers are so, so important!

### **Worship seminars and worship events in Latvia!**

***„Praise the LORD! For it is good to sing praises to our God; for it is pleasant, and a song of praise is fitting!” Ps.147:1***

I am very passionate seeing that more and more worship seminars are being held in Latvia. I wish to see that people in Latvia learn more what is true praise and worship. I am also very glad to see that worship seminar which was held during the 4 days of past week has been a blessing to many people.

Last weekend (7 of June - 10 of June ) I have invited to Latvia an amazing worship band from Estonia. It`s leader Ragne, although an Estonian by nationality, defines herself as a missionary in Estonia from Amsterdam (the Netherlands). She is now actively in missions in Estonia by leading worship and organizing *Worship Central Course*. There was a 5 people team from Estonia visiting us. We had worship seminars and special worship nights. I have received many encouraging feedbacks, people saying being touched by God in a special way and experiencing His presence. We prayed for Baltic nations, lifted each other up and declared that Jesus Christ is the only Salvation for our nations. Estonian brothers and sisters also felt very blessed to visit Latvia. For me these 4 days were very special, because we get the chance to minister in Riga – Agenskalns, Vilande, Lucavsala – and in Valmiera. I was very glad to host this team from Estonia and organize these beautiful events. Thanks to everyone who took part in this – by providing housing, supporting practically and financially and above all – by praying for us. I believe for Latvia and Estonia this was a beautiful start of cooperation in worship ministry.

And this weekend I had awesome time in Ventspils. We were there ( 4 worshipers ) for 3 days and we get chance to minister 3 churches and also we had fellowship and worship up to hill, in the train and on the boat :) That how I doing traveling from town to town and leading worship.

## Mission and prayers in Israel.

***“Pray for the peace of Jerusalem! “May they be secure who love you! Peace be within your walls and security within your towers!”” Ps.122:6-7***

Over the past one and a half years we have started to provide regular pilgrimages to Israel. Although during the past seven years I have went to minister to Israel on a regular basis, only now we can say that local people start to get to know Latvians and find out more about our country and where exactly it's located.

Mission trips and prayer pilgrimages to Israel bring changes in each one of us, as well as it is a big blessing to the local people everywhere we go. It's truly rejoicing to hear so many testimonies about previous pilgrimages and how they helped our pilgrims to experience God more and get to know our Messiah. Also there are testimonies from local people in Israel about how our pilgrim groups have left lots of encouragement and blessings by visiting them. This really encourages our team to organize more of these trips.

Our next trip to Israel is on June 21<sup>st</sup>. We will be a small group of 13 people, however I believe God has something special in store for us. We will visit places that are being described in the Bible, as well as minister with intercession and worship in 24/7 prayer houses and local churches. To prepare each of these trips takes a lot of time and energy – to pray about it, plan and manage the financial budget. This time we have four people who still doesn't have the necessary amount of money for this trip, but we believe that this would be a great blessing for them to go. Three of them serve in the worship ministry and one of them is an evangelist, who will graduate from his studies in Theology, to become a pastor, just one day before the trip! This would be an amazing gift and a blessing for his journey in faith. Also, the fact that this group is smaller than usual, unfortunately means that the cost per person is higher. However I strongly believe that it is also a good thing to have this small group; this way we all be able to take part in the ministry and be a blessing to each other in more personal ways. The necessary amount of money that is still needed to cover the expenses is 2400 euros.

I believe that these pilgrimage trips will be a blessing for many in order to grow stronger in faith and renew strength for the ministry. It has been always in my heart to find a supporting resource of finance, so that our team could help those who have a limited budget and therefore can't go. So far we were able to support some people and I can testify that it has been a huge blessing for both sides.

You can read more about the pilgrimage trips to Israel at our website - [www.godeeper.tours](http://www.godeeper.tours). Together with GoDeeper Tours we want to provide unforgettable and high quality pilgrimage trips for as low costs as possible. What we really accentuate is that the PILGRIMAGE TRIP WOULD TRULY BE A PILGRIMAGE.

God willing, we also have a plan to record an album of praise and worship music specially from Israel. But also for this purpose we need a financial support.

Other huge project is „**School of Worship Latvia**”.

***„Blessed are the people who know the festal shout, who walk, O LORD, in the light of your face, who exult in your name all the day and in your righteousness are exalted.” Ps.89:15-16***

Perhaps you might have heard that I organize and lead „School of Worship” within Youth With A Mission. It has been already a third year when this school has taken place in Latvia with lots of mission trips and adventures, telling different nations about Jesus Christ and inviting people to seek God. In order to properly organize this school, it takes a lot of time, effort and also a good team. In addition, each person who works at YWAM is responsible for their own finances by seeking support and, of course, there is always a desire in my heart to help those who struggle with finances. Although it is a big challenge to organize this school, I have tasted and seen how amazingly God guides and provides, and above all, I am so glad we can be a blessing to many people. Thanks to God for His abundant grace!

***„My mouth is filled with your praise, and with your glory all the day.” Ps.71:8***

During the previous School of Worship we had a wonderful chance to receive eight students from six different countries. Each of us learned something special to us and we went to minister with worship and intercession to many countries. During the school we visited 12 different countries. Each of the trips were rich with possibilities to lead people in worship and share the Gospel. This school widened the horizon of faith to many students, for some it was a time to begin writing worship songs, learn new music skills, and taking the first steps in leading worship by crossing the comfort

zone and singing in the microphone for the first time in their life. And, of course, it was a great blessing to those churches which we visited and ministered to.

Together with this school we went on a mission/prayer road trip all over the Europe to Gibraltar. On our way we stopped in many different cities where we interceded for people and spiritual awakening in these nations.

Also during the winter time we went on a mission trip to Israel and served there in prayer houses, soup kitchen and orphanages. It is a great blessing we could serve together in Jerusalem, Bethlehem and other cities of Israel.

Last winter for me was very special, because for the first time in my life I went to Russia. Our team visited Moscow, St.Petersburg and Murmansk. We spent a whole month in Russia. On this trip we were just 4 people from Latvia. We lead worship in many churches, served with intercession and gave testimonies, visited many families and prayed for people. People in Russia welcomed us really warmly, with open hearts and hands – this truly was a very special time. I could say this was a sort of a peace trip. In this time which is politically tense, where there are heated debates on the radio and people are spreading negativity about each other, we went there and served each other in love, blessing each other and sharing encouraging and kind words. Next full time 5 month school starts April 2019. Please pray for it!

This summer we are organizing Summer School of Worship (6weeks) for Youth, we will have lectures and we will do ministry in Latvia, Lithuania and Estonia and we have decided to go to Murmansk through St.Petersburg and other smaller villages, bringing the Gospel and ministering with worship and intercession.
