

Greetings!

May this Lament time when it seems like everything has stopped and tend to change so fast be filled with God's peace. I encourage you to guard your heart, guard the peace and keep faith in The Living God!

Christ says: "Peace I leave with you; My peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27)

At the moment I am in Scotland, YWAM Paisley. I have served here when teaching in School of Worship and it was planned for me to help prepare for School of Worship upcoming in the beginning of April. However, because of the situation in the world today this school is postponed, but that doesn't hinder the preparation, working on lecture material and writing new songs. For us in Latvia everything is suspended, the airport and borders closed, church gatherings don't take place and all events in the country are cancelled. I traveled to Scotland in the last evening before borders were closed and when I entered Scotland the situation in the United Kingdom started to change, too. All schools are closed, social events cancelled and church gatherings are only livestreamed.

Especially during this time, when a lot of people spend the majority of their time at home, I want to offer you a downloadable version of my music that I have written and recorded as time went by. Perhaps few of you have heard a part of the songs I have and some even have them on your devices. But maybe there is another song which you have not heard yet that can speak to you and be a blessing to you in this time. I will be happy to hear some feedback from you.

I am very thankful that God has let me record a lot of songs. It has not always been easy and has demanded a lot of finances, but I am delighted to hear testimonies from those who listen and enjoy. I continue writing, creating and recording new songs. And I want to thank everyone who has supported me in every way already.

With emergency situation in the world caused by "COVID-19" everything seems to be paused though the opportunity to encourage, calm down and speak to each other through music continues. It is an opportunity to bring the message of the Good News, hope and peace via the Internet and radio in many ways.

During this time, we can intentionally spend time with God and reflect on His Word. This is the time when God can revive dreams. We have the opportunity to stop in this hurry and let God examine our hearts. I am allowing God to revive dreams about recording my songs and am thinking of writing new ones for the glory of God and blessing for people. I have started recording some new songs. In this season of peace when no mission trips are planned, no events and pilgrim trips to Israel take place I have the time to be in simplicity and write new songs.

I am offering you a **download of all previous 33 audio pieces**. Among them you will find songs in many languages and genres. I want to **offer all of them for 1 euro** and give a chance to donate more than that. The recording, editing and post production costs around 300 euros.

In order to support and download songs you don't need to create an account on *bandcamp.com*, but you can sign up to be able to leave a comment and feedback, plus you will be able to download purchased songs in your account.

. If you are using "Spotify" **I would be happy if you added some of my songs to your playlist and shared them with others. I know there is a need for new music pieces, therefore I am trying to raise some money to record it.** It is hard to live off from songs, but you can reach a lot of people and their hearts through music. I also receive little amount of money from listens on "Spotify". For about 1000 listens it is almost 4 euros, for about 10 **000** listens – almost 40 euros. One would need around 100 000 listens to raise finances for one recording. That of course is just for the recording not including finances for the daily bread, public transport, new guitar strings and other day-to-day expenses. Although musicians receive little from "Spotify" I believe that God can multiply that, too. Please don't think of this as a must listen or must donate. I am only sharing my heart.

I want to thank everyone who has supported mission trips, School of Worship and also music recordings.

I will be happy if you keep me in your prayers, because prayers are powerful! Perhaps I will have more time to write about experience in my mission trips now. Recently an extraordinary mission trip to India and Nepal took place. I hope to tell more about that another time. I encourage us to remain in Christ, read God's Word and let the message of Christ dwell in us richly!

Christ says: "Remain in Me, as I also remain in you. No branch can bear fruit by itself; it must remain in the vine. Neither can you bear fruit unless you remain in Me. I AM the vine; you are the branches. If you remain in Me and I in you, you will bear much fruit; apart from Me you can do nothing. If you do not remain in Me, you are like a branch that is thrown away and withers; such branches are picked up, thrown into the fire and burned. If you remain in Me and My words remain in you, ask whatever you wish, and it will be done for you. (John 15:4-7)

I have told you these things, so that in Me you may have peace. In this world you will have trouble. But take heart! I have overcome the world!" (John 16:33)

Be blessed,
