FACILITIES

The Limestone County Fairgrounds is a multi-use facility currently plays host to a wide variety of events each year including: Youth & Open Livestock Shows, Horse Shows, Barrel Races, Team Ropings, Breakaway and Tiedown roping, Team Penning, Sorting, Cutting, Youth & Open Ranch Rodeos, Senior Pro Rodeos, and more. Contestants and spectators travel near and far to enjoy all the amenities our facility has to offer.

Our main arena includes a 145x250 Priefert Arena with 6 bucking chutes, Priefert roping chute and boxes. Sponsorship banners will be hung along the East side of the arena approx 140 ft from bleachers in a direct line of sight. All banners will be 4'X8' with clear wording and company logos. All banners will be placed along a white banner that spans the East side of the arena.

With the new marketing and management the LCF is on track to host over 130 events in the 2023 year participants and spectators range from 50-300+ in a single weekend.
