Thank you for taking the time to fill out this application.

Once approved we will require a deposit to secure a puppy from either a current or planned breeding of choice. Once your deposit is received, the selection position is confirmed. Should you not be able to visit us in person, we will continue to update through pictures and video. The deposit shall be applied to the final purchase price of the puppy and the remaining balance will become due before the puppy leaves our home and before ownership is transferred from the breeder to buyer. The purchase price does not include any Flight nanny, delivery, or shipping charges (we will not ship our toy puppies in cargo. They need to be picked up in person or with a flight nanny). All puppies must be paid in full by 7 weeks of age. If your puppy is not picked up within 10 days after go home-date is set, a \$40 per day charge will be added to the puppy. Desert Diamond Poodles reserves the right to refuse your deposit or return at any time if we decide not to place a puppy with you.

All our Puppies come with **AKC limited registration only.**

(We **never** offer full AKC to doodle or merle breeders)
