Thank you for taking the time to fill out this application. Once approved we will require a deposit to secure a puppy from either a current or any planned breeding.

Once your deposit is received, the selection position is confirmed. Should you not be able to visit us in person, we will continue to update through pictures and video. The deposit shall be applied to the final purchase price of the puppy and the remaining balance will become due before the puppy leaves our home and before ownership is transferred from the breeder to buyer. Our Puppies come with AKC limited registration only. The purchase price does not include any Flight nanny, delivery, or shipping charges (we will not ship our toy puppies in cargo. They need to be either picked up in person or arrange delivery with a flight nanny).

(We **never** offer full AKC to doodle or merle breeders)
