\*\*The Micro class is for first year racers, unless the Competition Committee deems otherwise.

Riders will be required to display the appropriate number and back ground color (on all three number plates) during all MORE events. This will be the means by which the riders are scored. In addition to aiding the scoring personnel, it will also benefit riders (knowing which riders are in their class), pit crews (knowing who their rider is racing against), and spectators.

If a rider does not have the appropriate background/number on their machine, generic backgrounds and numbers will be available at sign-up for \$5.00 for a set of three.

Number requests may be sent to: [proudsis45@yahoo.com](mailto:proudsis45@yahoo.com)

Be sure to include Name, Class(es) and 3 # Preferences!
