

Protocols for Major Taylor Los Angeles (MTLA) Club Rides

The LA County health codes allow certain club sport activities including cycling if participants follow rules established to minimize the risk of COVID-19 transmission.

MTLA Cycling Club rides will adhere to the following COVID-19 protocols:

The ride leaders will address the Club with the questions below and receive a verbal acknowledgement from each participant prior to commencement of the MTLA Club ride:

1. Have you or anyone in your household had any of the following symptoms in the past 10 days?
 - Fever at or greater than 100.4 degrees Fahrenheit
 - Chills
 - Cough
 - Shortness of breath
 - Difficulty breathing
2. Have you been in close contact with a person known to be infected with or suspected to have COVID-19 within the last 14 days?
3. Have you or anyone in your household traveled outside the U.S. in the past 14 days?

ACTIONS:

Any person that does not wish to answer, or provide more information to any question answered with a yes, will not take part in the MTLA Club ride.

All ride participants are required to wear a face mask that covers the nose and the mouth at all times as tolerated to protect the safety of all participants except when eating/drinking.

Participants must remain physically distanced from others at any time their face mask is temporarily removed.

All participants must sign a 2021 ride waiver including agreement to abide by MTLA COVID-19 protocols.

A current copy of the LA County health protocol for club activities during COVID-19 must be available to all members of the cohort and posted on the MTLA Club's website or other outlet for reference. Ride leader(s) will have a current copy available for viewing.

CASE REPORTING:

If you have a positive COVID-19 test within two days after a Club ride, we ask that you inform a member of the Board at info@majortaylorcyclingclubla.org. Your identity and health information will remain confidential.
