Strong Paws

PET SERVICES

Loving care when you can't be there.

Welcome to the Strong Paws Family!

Thank you for considering me to care for your beloved pet! I know how important it is to feel confident that your furry family member is safe, comfortable, and loved while you're away.

At Strong Paws, I provide personal, attentive care with patience, affection, and respect for each pet's unique personality and routine. Whether your pup is joining me for boarding or I'm visiting your pet at home, my goal is to help them feel relaxed, happy, and cared for—just like family.

Your Pet's Safety & My Commitment

Your pet's well-being is always my first priority. Strong Paws Pet Services is professionally insured, with commercial general liability coverage and selected pet sitting and pet daycare coverages. Proof of insurance is available upon request.

I take the responsibility of caring for your pet seriously. I'll take time to learn about their routines, personality, medical needs, and anything that helps them feel at ease. Open communication is important to me, and I welcome your questions at any time.

Getting Started

Please complete the Client Information and Pet Profile forms, along with the agreement for the services you'll be using. These details help me prepare a comfortable, safe experience tailored to your pet.

I look forward to getting to know you and welcoming your furry family member into my Strong Paws family!

With gratitude,

Cathy Sweetman
