Kindergarten is a full-day program where students develop fundamental skills through play-based activities determined by their passion areas. Children are engaged and have fun and form a solid foundation for their future.

Students in elementary and secondary school learn how to take ownership over their learning with the guidance of our High School Director. They learn responsibility and accountability in order to prepare for post-secondary education.

Students in Grades 6-9 can participate in our WestCan Hockey Academy (Attack Hockey). They train three days a week with Dryland and On-Ice programs. Providing individualized attention to each athlete through tailored coaching strategies and comprehensive training.
