All supplies included.
AGES: 10 & up.
REGIS DEADLINE:
Nov. 7, 2025

Panesofpromise.com

DESCRIPTION: At this event, you will experience the wonderment of fractured glass art through the ingenuity and instruction of Marian Ross, Panes of Promise Glass Art. Marian will guide you step by step to create a beautiful Glass Christmas Tree using broken glass. Select from an assortment of colorful glass to assemble your tree. Then comes more fun to pick and choose your ornaments & a tree topper to decorate your tree. Once completed, your design will be kept to seal with epoxy and delivered back for pickup in about a week.

PLEASE NOTE: Ornaments for your tree will be supplied, but to make this a true "memory piece", you are encouraged to bring your own jewelry -especially keepsakes from a loved one- to fossilize into your glass tree as the ornaments. For example: A broach makes a nice tree topper or pearls/beads make sweet ornaments. (Marian will cut the metal hardware off of these pcs for use on your tree.)

INSTRUCTOR: Marian Ross, Panes of Promise Glass Art, Carrolltown, PA (814) 935-7533.

REFUNDS: Once a ticket is purchased, your seat and supplies are reserved and no refund will be processed for cancellations. If you cannot attend at last minute, you may gift your seat to a friend.
