

AQUA DOG CLASS

New class being offered at B&D Creekside Activity Center

Trainers: Darlene Schmucker and Gina Caldwell

Class cost \$120 for 6-week session

Tuesday 6/20/2023 from 9:00am-10:00am

Does your dog love to be active and enjoys the water? If so, then we have an exciting class for your dog!

Aqua Dog Classes are a great way to engage your dog’s physical abilities in the water as they navigate through a variety of agility obstacles while swimming. These classes are designed to teach your dog to swim comfortably as they learn the basics of agility training in the water. Swimming is a low impact exercise that improves range of motion and stamina. Swimming agility will increase strength while shaping and toning different muscle groups. This is a great class to challenge your dog mentally and physically as they learn a new activity. Our classes are educational, and we will have loads of fun while building your dog’s confidence in the water.

Handlers are encouraged to enter the pool with their dog to learn agility training while swimming. If you prefer not to get in the water, then there will be two trainers guiding your dog through the agility course. You are welcome to be poolside cheering your dog along as they complete the agility course.

Dogs must have a life jacket, be at least 6 months, be current on vaccinations, and basic obedience skills.
