ISC CLASS INFORMATION:

Saturday/Sunday: ISC World Team Qualifying Event

This event is also a World Team Qualifying Event so the following will apply to those who would like to enter the World Team Tryouts for the 2023 Team: "Clean run" scores from major ISC Classes at 12", 16", and 24" inches may be used to fulfill the minimum requirements of 6 Std/6 JWW requirements. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class. Two ISC jumpers and two ISC standard scores may be used to fulfill the minimum requirements. The other four scores in both standard and JWW must come from regular standard runs (at the minimum yps required for entry into WTT) or Premier standard runs (no minimum yps as long as the dog is under course time for that class) and regular JWW runs (at the minimum yps required for entry into WTT) or Premier JWW runs (no minimum yps as long as the dog is under course time for that class.)

ISC Combined Class Winners Combined scores from ISC Jumpers and Standard classes at this event will be used to award the Combined ISC Class Award. To be eligible for the Combined ISC Class Award the team must have a minimum of one clean ISC run and a run that has a maximum of 5 course faults (no time faults allowed) for those scores to be used to compute the Combined Score. The Combined Class winner from the 12, 16 and 24 inch height is invited to attend Team Tryouts. They do not need to fulfill the requirement of the 6/6 scores. The team must also send in all the required information with the fees and the entry form and meet all the other basic eligibility noted in this document (including an approved pedigree). The handler at tryouts must be the same handler that won the combined award.

The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility:

This class is open to dogs that are eligible to compete in AKC agility trials.

Jump Heights:

If jumping a height different than AKC height handler must send in a separate entry for their ISC height Small medium large

Dogs may be entered in their regular jump heights, **however**, only those dogs running in the 12" & 16" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) or any dog entering the 24" jump height will be eligible for the direct invitation to World Team Tryouts. The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) - for dogs measuring 13 3/4" or less at the withers
- Medium (16" jump height) - for dogs measuring more than 13 3/4" but less than 16 7/8" at the withers
- Large (24" jump height) - for dogs measuring over 16 7/8" at the withers.

BRIARD SPECIALTY ISC CUP

Runs will be scored time plus faults. All faults are 5 seconds and elimination is 100 sec. The top 3 combined winners per height will be on the podium and receive prizes.

FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment.

The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
