

## Hide 'n Seek Rescue MOCK TRIAL

Classes cost \$20 per run

Sunday, November 29, 2020 starting at 2 pm

We are putting people on B&D property in a situation and we will send handlers out with dogs to do a rescue. This has no affiliation with Search and Rescue. This is strictly a B&D rescue mock trial.

This is a mock trial for your dog to test its skills that they have been learning in class. This will be our Level 1 rescue. It is a straight-line hide from 50 to 100 yards but handler will not know in which direction. Each handler will get 5 to 7 minutes to complete the rescue. If the team is unsuccessful we will show where the rescue is to make the team be successful for their run. When the dog makes a find, you're going to want to reward at the point of exercise with treats, toy and praise.

There will be two hides for the day. There will be two different rescues with two different people.

Crating will be inside ArcMaster Building until it is your turn to work. Wear warm clothes and good stable shoes or boots. Bring a long line between 10'-15', toys or treats a crate for in the building. There will be no crating out of cars because we don't want people to see any other rescue.

People that can enter are anyone that has been taking classes with us. Also anyone that thinks their dog can find someone hiding in the woods or brush.
