Puppies must be over 10 weeks of age. Must be up to date on vaccinations. Puppy Training Classes are crucial for teaching social skills, good manners, and a positive attitude about learning and are a great way to begin a happy and healthy relationship with your dog. They are designed to teach you, as the puppy owner, how to properly socialize and teach your puppy basic commands, agility obstacles and good manners. Our classes are educational and entertaining and will keep you and your puppy mentally and physically engaged during each class. You will learn how to take your puppy through real-life challenges with confidence.
