Beyond Puppy Training Classes are crucial for continuing to teach the foundation of obedience for a well-behaved dog. These classes are designed to teach you, as a dog owner, how to properly socialize and train your dog basic cues such as heeling, recall, sits, downs, and stays. You will also learn concepts on how to keep your puppy focused on you while walking on a leash near other puppies and people. Our classes are educational and fun. We will keep you and your puppy mentally and physically engaged during class. You will learn how to train your puppy through real life challenges with confidence. Get ready to train with a positive attitude as you build a happy and healthy relationship with your puppy!
