MAYOR'S REPORT

1. I am appointing Sherry Taylor to the Zoning Committee. Need a motion to approve Mayors appointment.
2. I will be meeting with the chairman of the Fire Committee and members to discuss reorganization of the Fire Department. We are waiting on the conclusion of the investigations.
3. I am appointing Kenny Kondudus as a fire fighter for the Christopher Fire Department. Need council approval.

I am appointing Allen Minton and Gene Payne as consultants to the Mayor. They will have full access to the Fire Department under my authority and report their finding to the Mayor and Fire committee. They request no Fireman pay as acting Fireman.

4. Zeigler is interested in our 2007 Crown Vic patrol car. During our Market Street Fire, Zeigler provided Police officers for several days. I would like the council to sell the 2007 Crown Vic to Zeigler for one dollar.
5. After several months we found a fork lift. Black Equipment Company for \$7,600.00. Need a motion from the council to approve purchase.

6. We were notified that Rend Lake Conservancy District raised water rates last year and this year. Five cents 2018, six cents 2019, six cents 2020, six cents 2021 and six cents 2022, per thousand gallons of water. So we don't have to increase rates until 2021, I propose the council increase 23 cents per thousand on the meter rates, and one dollar forty cents on the flat rate.
7. We are in the process of scheduling MFT program.
8. We will pass resolution to condemn four properties. Jeff Troutt has prepared the resolutions.
9. Authorize Mayor to advertise for bids on a new Police car.
