

City of Christopher

**208 North Thomas
Christopher, Illinois 62822**

**Office of the Mayor
Gary Bartolotti, Mayor**

June 10, 2024

MAYOR'S REPORT

1. The cities audit has been completed and our GATA portal has been updated.
2. The \$25,000.00 we received from our 1999 Tanker truck has been received. I would like the council to approve paying \$25,000.00 on our new fire truck loan.
3. I have filed the paperwork with Risk Management to insure our 4th of July fireworks. The paperwork saved the city \$900.00. We pay \$100.00 to insure the firework celebration.
4. Risk Management has sent me a packet to insure our city. Every department will have to add or subtract their equipment and building to be insured. I also have to do our payroll audit for workman compensation. This determines what we pay per year.
5. I have asked Jonathon for emergency demo on 510 South Emma. The roof has totally collapsed.

Building for the future!
