### Temporary Illinois Casino In Waukegan Now Expected To Open In December

A temporary **Illinois casino** in Waukegan is now expected to open in December.

The American Place temporary casino — owned and operated by Full House — was previously **expected to open in October**. Today, the exterior of the casino complex is mostly complete. Now crews with Turner Construction are working on the inside of the 75,000-square-foot gambling hall located adjacent to the Fountain Square Shopping Center.

The temporary Waukegan casino will offer:

- 1,000 slot machines
- 50 table games
- A Circa sportsbook
- A variety of dining options: three sit-down restaurants, other food options and a large bar

Notably, the partnership with Full House at the Waukegan facility is the gateway for **Circa** to launch its **Illinois sportsbook** app. When it does, Circa will become the eighth sports betting operator in Illinois. [Read](#)
