Gambling Alert -August 10, 2022

Gambling Video Machines were installed at the Illinois State Fair on 08-09-22. J&J is once again the Gaming terminal operator. 50 machines will be available on the Fair Grounds

Springfield already has 136 establishments offering 732 machines. Why do we need more machines available at the State Fair? Is this really a necessary part of our "family-friendly" event?

Illinois already has 7,967 establishments with 43,128 machines.
