Marijuana Alert - November 3, 2022

Marijuana (USE) and testing for truck drivers is becoming a leading cause of the growing national trucker shortage, expert says

- A Wells Fargo executive said drug testing for marijuana is causing a shortage of truck drivers.
- As more states move to legalize cannabis, standards for drug testing truckers have become more stringent.
- As of December, over 60,000 truckers have been temporarily taken off the road for testing positive for marijuana use. [Read](#)
