PWF Cans for Conservation Grant Program

The PWF Cans for Conservation Grant Program is made possible with funds collected from recycling aluminum.

Objective:

The objective of the PWF Cans for Conservation Grant Program is to provide funding support for youth conservation activities in Pennsylvania that fit within the mission of the Pennsylvania Wildlife Federation and the Pennsylvania Federation of Sportsmen & Conservationists. The program will fund projects that contribute significantly to the education of our youth in conservation, hunting, fishing, trapping and shooting sports.

Eligibility:

Applicants must show proof of 501(c) non-profit status and provide a completed W-9 or identify a non-profit organization that will administer the finances for the grant (a pass-through organization).

Applicants must be a member of PWF or PFSC. Sportsmen's clubs applying for grants must be PFSC member clubs in good standing. (Membership application/dues may be submitted with the grant application.)

While matching funds are *not* mandatory, funding preference will be given to applications that show matching funds. This can be non-cash, in-kind contributions such as volunteer time, donated services, or other donated items.

Grant Limits:

While grant amounts vary, most range from \$200 to \$500 and function as complementary support. We strongly encourage applicants to seek additional, concurrent funding from other funding sources.

Grant Restrictions:

PWF grants may not be used for indirect costs, overhead, and other expenses unrelated to the project or event. Fringe benefits and salaries are also excluded. Highest priorities will be given to "shovel ready" projects, projects with secured matching funds and projects or events benefitting youth conservation activities.

Funds may not be used for travel to meetings or conferences, legal actions, endowments, or publication of research results.

Obtaining an Application Form:

The grant application form (and PWF membership form) may be downloaded from PWF's website: www.pawildlife.org, or you may request a form by contacting the PWF office directly.

Applications are accepted throughout the year. The PWF board meets twice a year (March & September) but holds virtual meetings when warranted. Please specify your timelines and deadlines on the application.

- Previous PWF grantees must first comply with all prior reporting and financial accounting obligations before submitting applications for additional support.
- The grant application should introduce the project/event and list specific budgetary items for which funding is being requested.
- All recipients are required to provide a final report within 3 months of completion.
- We strongly encourage electronic submission of all documents to info@pawildlife.org
- If electronic submission is not possible, please submit your information to:

PWF, 2426 N 2nd St.,
Harrisburg, PA 17110

Project Narrative

In addition to the Application and Budget, please provide the following information:

1. A statement of the organization's mission, goals, number of members and prior accomplishments
2. A statement of the purpose of the grant request that provides the following:
 - Detailed overview of the project, including objectives and purposes
 - Proposed plan of work and timeline
 - Protocols that will be used to ensure you reach the final objective
 - Additional partners involved? If so, please list additional partners and their responsibilities.
 - Is the project new or a continuation of another project?
 - Other information you feel is pertinent to the project

Attachments

Please include the following with your narrative and application form:

- Map showing proposed project area if applicable.
- Copy of 501(c) tax-exempt Determination Letter and signed W-9
- Letters of support that substantiate the need for the project and confirm your prospective collaboration if applicable.
- Any other information describing your organization or proposed project that you believe is important.
