

|                |  |  |
|----------------|--|--|
| <b>Level 1</b> | Details  | 2-weeks   \$1,500   On-leash program. No e-collar.   |
|                | Commands   | Sit, Down, Stay, Come, Place   |
|                | Manners  | Greeting people, crate manners, leash manners, correcting poor manners, and setting dogs up for success in the home environment.   |
|                | Candidates   | <b>Ideal candidate</b> is a dog without a lot of excitability or behavior problems. Dog is pretty well-mannered anyway but lacks formal training. This program helps improve manners at home and gives owners the ability and confidence to take their dog on walks. Dogs <b>must</b> be crate trained, meaning no crate accidents and being comfortable for periods of time.  |
|                | Prerequisites  | 4+ months<br>No issues with the following are allowed: anxiety, reactivity, aggression or resource guarding.   |
| <b>Level 2</b> | Details  | 3-weeks   \$2,200   On-leash program. E-collar included.   |
|                | Commands   | Heel, Sit, Down, Stay, Come, Place, Up/Off, E-collar, Community Work   |
|                | Manners  | Greeting people, crate manners, leash manners, car manners, correcting any poor manners and proofing behaviors in the community/pet friendly locations.  |
|                | Candidates   | <b>Ideal candidate</b> is a dog with minor excitability or under-socialization. Owners will see improved home manners and have the confidence to take their dog into the community. This program helps prepare dogs for challenging scenarios with excitability and distractions.  |
|                | Prerequisites  | 6+ months<br>No issues with the following are allowed: reactivity, aggression or resource guarding.  |
| <b>Level 3</b> | Details  | 5-weeks   \$3,000   This program is on-leash with behavior problems OR off-leash without behavior problems. E-collar included.   |
|                | Commands   | Heel, Sit, Down, Stay, Come, Place, Up/Off, E-collar, Distance Down, Community Work<br>Play Vocabulary: Ready, Out, Yes, Get it, Enough  |
|                | Manners  | Greeting people, crate manners, leash manners, car manners, correcting any poor manners and proofing behaviors in the community/pet friendly locations.  |
|                | Candidates   | <b>Ideal candidate for behavior modification</b> training is a dog with major excitability, under-socialization, reactivity or resource guarding. Owners will see improved manners and commands, while able to confidently handle their dog in triggering scenarios.<br><br><b>Ideal candidate for off-leash</b> training is a take anywhere dog. May have some excitability or under-socialization. Owners will see improved manners and have the confidence to handle their dog on and off leash. This program engages dogs in fulfilling play and aims to improve handler-dog relationship. |
|                | Prerequisites  | 6+ months  |
