ONE EARTH
ONE CHANCE

Hi Kalai and PIN team,

We are so very grateful for your continued support of our cause! You can rest assured that we will continue to invest in bringing the forests to us in urban areas with a zero expense model.

I wanted to share that in 2023 to date, OEOC has planted 50 mature trees in Dallas and 462 saplings in Plano w/ irrigation. Do join us on Apr 15 for another planting of 50 trees in Dallas. We also have plans for Richardson and Frisco plantings in Apr and November that are being firmed up.
