President's Note

I continue to be impressed by the variety of the missions served by small non-profit organizations that have one thing in common. Leader(s) who are passionate and works tirelessly towards fulfilling the mission.

I feel honored that People's Impact Network Inc. continues to grow and support my Triple Win goals via our mission. Standing beside passionate leaders makes it all possible!

Best
Namitha Nayak

EVERY LITTLE HELP COUNTS

PINsider

ONE EARTH
ONE CHANCE

One Earth one Chance received a generous grant from People's Impact Network towards our spring and fall tree planting of 762 trees and shrubs, two years in a row.

The OEOC - PIN partnership started with desi clothing collection drives to fuel PIN's sustainable fashion sales to support local charities. We are grateful to be a part of your service society and "together we can make an impact" to improve the lot of both people and the planet we inhabit!

LIFT R&R was so excited to receive the grant for \$2000.00 from Peoples Impact Network for our Another Man's Treasure! This event helped over 200 people receive free furniture, clothing, home decor and so much more! This grant made it possible to cover transportation costs, and storage for the furniture we received to deliver it to the homes of families who couldn't afford it.

We're so thankful to People's Impact Network for their mission to help other nonprofits further their work in the community!

It is with sincere gratitude that TLT- Tomorrow's Leaders Today thanks the People's Impact Network for the generous grant. This grant received helped cover programming expenses for youth that participated in our Unlocking the Future program, our Small Business Entrepreneur 101 workshops and our internship program from underserved communities, youth recovering from drug and alcohol addiction, homeless shelters and aging out of adoption/foster care at no cost. They received school supplies, hygiene items, hats/gloves and scarves in winter, ties and scarves for interviews in spring and fall. We are forever grateful for this opportunity to serve the youth in our communities.

On behalf of Fresh Start for Your Heart, I would like to express my sincerest gratitude for the generous grant of \$1500 that we received from your organization. Your contribution is greatly appreciated, and we cannot thank you enough for your support.

The PIN grant has allowed us to help clients with unique requests, which some of our other grants would not have allowed us to do. A client who has worked hard to earn a certification needed a special laptop to do her work and we were able to help her get that with the PIN grant funds. Another survivor who has applied for a T visa needed to get new vaccinations and checkups done for immigration purposes (her ex would not share the vaccine proof etc) and PIN grant money was used to help her with obtaining those. Our mainstream funding does not allow or recognize some of these very unique expenses our clients have. The PIN grant has also connected us with a group of very enterprising and good-hearted, hardworking individuals. We look forward for the continued support.

Seema Kak

Thank you for your generous donation of \$3000 to the National Autism Association of North Texas! As part of our mission of helping and advocating for families, individuals, and professionals dealing with Autism Spectrum Disorder (ASD), we use 100% of our funds locally to provide support, resources, and education. \$3000 can help 6 families with paying their co-pays for behavior therapy or pay for swim/water-safety lessons for 10 children on the autism spectrum. NAA-NT is very grateful for your continued support for the autism families of North Texas!
