President's Note

Why are awards important? I always felt we did not need one to do good work. While that's still true, I have to admit it feels great accepting the first award for People's Impact Network Inc. in the category of community Impact from National Autism Association of North Texas.

I hear stories that move me, I share our own story, this enhances our sense of urgency and relevance to the mission we serve.

I have a great team, there is so much to do! Come join us!

Best

KIRAN is PIN's 2023 Grant recipient.

Kiran's mission is to end the cycle of abuse and to serve and empower South Asian victims of domestic violence in North Carolina by providing culturally specific services and comprehensive economic, social and community resources.

Kiran means 'ray of light' in Hindi. We aim to illuminate, guide and instill hope in the lives of South Asian domestic violence victims all across North Carolina.

We want to bring a change in the way South Asian Community views and responds to domestic and sexual violence by educating the community on understanding diversity, violence prevention, empowerment, promoting healthy and non-violent relationships, commitment to social change, professionalism and equity.

Weekend Wonders 4 Kidz is PIN's 2023 Grant recipient.

Weekend Wonders 4 Kidz was conceived by a group of friends who had the same vision and goal to give back to the community. Kids sitting next to ours in the classroom, playing with ours on the playground or competing with ours on the sports field, should not be going hungry on the weekend.

Weekend Wonders 4 Kidz makes up bags of 2 breakfast, lunch, dinner, dessert and snack items and delivers them to the school for children in need.

Weekend Wonders for Kidz delivers food bags every week to the schools.
