President's Note

It's the time of the year when gratitude takes an even more important presence in all our lives. I am very thankful to all the donors who ensure that our storages are always full of beautiful clothing that can be rehomed, to the multitude of volunteers who help us make the magic happen and the supporters of the mission who buy and wear the preloved garments with pride and joy! Thank you all! I could not have done any of this without all of you!

Best
Namitha Nayak
