

THEIR PATH TO MEDICINE STARTS WITH YOU.

Who Benefits?

Students from Washington and Nelson County, KY, who are ready to make their big dreams a reality

(Washington County residents will receive initial preference)

Why it Matters

Opens doors for students who never thought medical school was possible

Prioritizes rural Kentucky, creating a lasting impact where it's needed most

Covers critical needs, so students can focus on learning

Builds a seamless pipeline from UofL undergrad to medical school

The Dr. Bobby and Julie Baker Foundation has created a \$250,000 endowment, a lasting legacy that will empower future generations through this scholarship for years to come

Invest in the Future of Rural Kentucky Students

For many bright students growing up in Washington and Nelson County, KY, the dream of becoming a doctor may feel out of reach. **The Dr. Bobby and Julie Baker Foundation Scholarship was created to achieve those dreams.** All students have what it takes to succeed - what they need is **opportunity.**

This \$10,000 annual scholarship empowers students from rural towns to take the first step toward a medical degree at the University of Louisville and can provide up to \$40,000 per student over four years.

By supporting this scholarship, you're not just funding an education; you're helping students take their first step toward a life-changing career in medicine.

How Can You Help

Join us in supporting Kentucky's next generation of doctors. Your gift makes a direct impact on the lives of Kentucky's future physicians.
