

Pam was very kind and patient when it came to our travel plans. She was calm and reassuring with all of the COVID-19 requirements to travel outside of the country. She shared videos of previous travelers who had gone through the same procedures, which was very helpful with keeping you motivated for your trip. I'll definitely keep Hamm's Travel Service in mind for future plans.

Our trip to Turks and Caicos was a tropical paradise! The turquoise waters, white sand, endless food and drinks, a visit to Iguana Island, a bike ride uptown and not to mention snorkeling in the third largest coral reef in the world. Absolutely amazing!

Turks & Caicos
