PAYMENT: We require a deposit of 60% at time of receipt with the remainder upon completion. If any additional issues or parts are needed that require additional gunsmithing time or parts replacement, you will be contacted before we proceed and it will be added to your final invoice. Gunsmithing is billed at a reduced rate of \$86/hr with a minimum of ½ hour. All prices reflect a 3% cash discount.

- Shipping:** When shipping your firearm to our facility, please ensure ALL steps are completed.
- Photocopy State Drivers license and include inside shipment along with completed Mad Pig Order Form.
- Ensure items are adequately boxed and padded. **Do not send gun cases or bags, they will not be returned or will incur a separate shipping charge to return as the Thumper package includes a hard case.**
- If gun is disassembled, ensure all small parts are in a ziplock-like bag. Mail carriers are notoriously rough with packages. Items must be individually padded and not able to move individually inside box (especially rifle barrels).
- Send ONLY the parts that you want coated.
- We recommend insuring the firearm to its full value, and if return shipping insurance is required (recommended) please indicate on order form how much insurance is requested
