How to Create an AI Coloring Book

Step 1: Plan Your Coloring Book Theme

Decide on:

- Target audience (kids, adults, themed fans)
- Subject (animals, mandalas, nature, inspirational quotes, etc.)
- Number of pages
- Size (e.g., A4, 8.5"x11")

Step 2: Generate Coloring Images with AI

Use an AI image tool that supports line art or JPEG, Aim for high resolution (at least 300 DPI for print)

Step 3: Open Canva and Start Designing

1. Go to Canva.com
2. Click Create a design > Choose a custom size (e.g. 8.5 x 11 inches or 8.5 x 8.5)
3. Start with a blank page

Step 4: Add Your Images

1. Upload AI-generated coloring images to Canva
2. Drag each image onto a page

Step 5: Add Titles or Prompts (Optional)

- Add text like:
"Color the cute puppy!"
- "Design your own pattern"
- Use Canva's free fonts (keep it minimal to keep focus on the coloring)

Step 6: Design a Cover Page

- Use services like Amazon KDP or IngramSpark

Step 7: Download Your Book

- Click Share > Download
- Choose PDF Print for high quality output
- Select All pages

Step 8: Print or Sell It

- Use services like Amazon KDP or IngramSpark
