

International Sales Team

For Immediate Release

Australia, 26th August 2024

Winners announced in International Sales Team (IST) B&M awards.

The annual awards recognise advances and technological innovation in the broadcast and media.

2wcom wins GOLD

2wcom, the leading manufacturer, supplier and system integrator of professional audio broadcast equipment for Audio over IP, Satellite, DAB+, and FM and HD Radio has won GOLD in the prestigious International Sales Team (IST) annual B&M Industry Awards.

“We are extremely pleased that our hard work and dedication to furthering broadcast technology, has been recognised with this award” said Berry Eskes, Global Sales manager for 2wcom. A formal presentation of the award will be held during the upcoming IBC 2024 show in Amsterdam, September 13th-16th.

GOLD for Aldena

Aldena is a reliable, innovative, and customer-oriented company with a long history of engineering excellence in designing and manufacturing a wide range of antenna system and coaxial components for the broadcasting and telecommunications industries.

Aldena CEO, Roberto Di Bari said “We are honoured to be chosen for this award. Our team is dedicated to providing the best products for our customers and they work extremely hard to maintain our high standards. We would like to thank International Sales Team for the initial nomination and the recognition”.

A formal presentation of the award will be held during the upcoming IBC 2024 show in Amsterdam, September 13th-16th.

DB Elettronica with GOLD Award

DB Elettronica Telecomunicazioni SpA has more than 45 years of experience and is recognised as a worldwide leader in RF transmission and communication solutions.

DB’s world-class transmission systems have won the company the prestigious International Sales Team (IST) GOLD in the annual B&M Industry Awards.

DB’s comprehensive range of products in analogue/digital processing and transmission of radio and TV contents allows operators to find their bespoke solution in terms of quality and capital investment.

DB also leads technology adjacent verticals in industries including health care, scientific research and particle-accelerator projects.

DB Broadcast CEO, Guglielmo Feliziani said “It is always an honour to be recognised and it is an award that can be celebrated by the whole DB team”.

A formal presentation of the award will be held during the upcoming IBC 2024 show in Amsterdam, September 13th-16th.
