

Owner Update 10-27-22

Waterfront Residents:

Most bathtubs in the lower units have been removed due to the mold remediation. These tubs will be disposed of unless the owner would like a tub to be reinstalled. Some tubs were damaged in the removal process.

Any owner interested in having his tub reinstalled needs to contact the board as soon as possible at: [tibbell1018@gmail.com](mailto:tibbell1018@gmail.com)

Thank you.
