

GUEST/VISITOR REGISTRATION FORM

Guest/Visitors are those close friends or family members who are staying in your unit at The Waterfront either Owner Present or Owner Absent in which there is absolutely no financial consideration or exchange of valuable services or property. To misrepresent this fact is not only a violation of The Waterfront Covenants but is a violation of State Law. Also, **Owners are entirely responsible for the actions and behavior of their Guest/Visitors.** Owners are subject to fines for any violations.
