To say I was blown away by this before and after is an understatement. 🌟

If you haven't heard, I started selling a new skin care line and the amount of people I'm able to help fall in love with themselves is so rewarding!

This is my Auntie [Anna Marie Thebeau](#), we took a photo of her when I was there visiting and I all I asked is when she starts to notice a difference to send me another photo... well this was 4 days later!!

If I didn't know this lady personally I would have thought this picture was photo shopped...

I'm so happy for you Auntie. 💕 thank you for trusting me!
