

MYTH

*You don't need to  
exfoliate in winter.*

Swipe to find out

## FACT

Exfoliating helps remove dead skin cells and can improve the absorption of moisturizers, keeping your skin healthy during the colder months.

## MUST-HAVE

This Active Clean-Up Powder is a water-activated cleanser that **gently exfoliates** with papain enzymes and gentle acids, **leaving your skin bright, clear, and energized.**

*Ready to protect  
your skin?*
