

## MYTH

*Dry skin is normal  
in winter & can't  
be avoided.*

Swipe to find out

## FACT

While cold weather can lead to dryness, **using the right moisturizers and hydrating products can keep your skin soft and supple.**

## MUST-HAVE

Active Cream EX  
**nourishes, boosts  
elasticity, and hydrates**  
sensitive skin. The non-  
greasy formula absorbs  
quickly, **improving  
moisture, texture, and  
delivering a healthy  
glow.**
