

During the 2024-2025 school year, your child will occasionally enter three additional spaces outside of the Sonshine Preschool hallway.

These spaces are located on property. One space is the Parma Heights Christian Academy (PHCA) Family Life Center (gym). The other space is the outdoor pavilion located in the back of the Parma Heights Baptist Church/PHCA campus. The final space is our Worship Center which is used for Fall & Spring Picture Days and to prepare for our annual Christmas Program.

Signing this permission slip will grant Sonshine Preschool approval for your child to go with the classroom to these additional spaces.
