MASK WEARING REMINDER

Although warmer weather has finally arrived and we have the ability to start wearing short sleeves and shorts, please do not neglect to wear your mask at drop off and pick up. We are nearing the end of the school year and we want to finish strong! The safety of your children and family is of utmost importance to us.

Please continue to follow the guidelines that were put in place at the beginning of the school year.

ZOO DAY!

Zoo Day is scheduled for Monday, May 17 rain or shine.

You may go to the Zoo when they open but please make your way to the **Daniel Maltz Rhino Reserve** from 11am-11:45am to meet your teacher. If there is rain, please meet at Palava Hut Pavilion near the entrance.
