

I, the parent/guardian of a child at Sonshine Preschool, agree to the following:

I understand that my child may be photographed and/or videotaped at Sonshine Preschool during normal business operating hours during classroom time.

With my signature below, I either grant or do not grant permission for my child to be photographed and/or videotaped in the classroom.

I, the parent/guardian of a child at Sonshine Preschool, would be giving permission for images and/or video recordings to be posted on the classroom management app (Brightwheel), in various video recordings (i.e. Christmas program DVD or private YouTube recording), and for print and/or electronic use in promoting Sonshine Preschool's services (these pictures would be used to promote our services on our brochures/flyers that we provide for current and potential students.) Pictures selected to be used to promote Sonshine would not show the faces of students but would rather show the activities that we offer during classroom time.

Below I either **give permission or do not give permission** for my child to be photographed and/or videotaped.

Please circle the one that applies:

GIVE PERMISSION OR DO NOT GIVE PERMISSION

Child Name: _____

Parent Signature: _____
