## Reunion

## Frequently Asked Questions

**When is the event?** *October 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> & 5<sup>th</sup> 2025*

**How much are tickets?** *\$125 per person*

**Can I just go to the dance?** *Absolutely! The weekend is yours to enjoy however you like. The ticket price remains \$125.*

**Why are the tickets \$125?** *Compared to most ticketed events, this reunion is actually a **great** value! We had hoped fundraising would help offset costs, but support was lower than expected. If just half of our Facebook members had purchased one raffle ticket, we'd be offering \$85 tickets today. It was a missed opportunity, but it's also a lesson learned. We're still proud to offer a full weekend of connection, entertainment, and memories for the cost of a single concert ticket.*

**How do I purchase tickets?** *Tickets are available on the home page of this website.*

# Frequently Asked Questions

**Why 4 days of events?** *Because the dance alone can't hold everyone—literally. It's limited seating. And those of us who stepped up to plan this didn't want a celebration that excluded anyone. With over 2,000 members in our community, we're not planning for just 20%—we're creating something for everyone. That means a full weekend of activities, events, and experiences designed to welcome and include all who want to join.*

**Why isn't there a discount if I only want to go to one event?** *We simply don't have the volunteer power to manage customized tickets for each person. And yes, your ticket helps fund the entire weekend experience—but even if you only attend the dance and take home your keepsake t-shirt, you're still receiving 80% of the ticket's value... and keeping 100% of the joy.*

**How can I help?** *Volunteers are needed! Help staff the events, especially Thursday and Friday, help decorating the parade float, and the dance event (plus you'll get a sneak peek!), and we still need ushers and are accepting more choir participants. **Final Thoughts** – *This reunion is 100% volunteer-led. We're not doing this for profit—we're doing it for community.*

*Just a few examples of our behind-the-scenes costs:*

- *Portable toilets, wash stations, and lighting: \$4,000*
- *Catering for two days: almost \$15,000*
- *Additional expenses: insurance, printing, rentals, entertainment, decorations, signage, software, payment processing, and waste management*

*Not everything will be perfect, and not everyone will love every decision—but we've led with love and faith every step of the way. We've poured our blood, sweat, and real tears into making this happen.*

*When you buy a weekend pass, you're not just attending an event—you're investing in unity. You're saying yes to connection, celebration, and community legacy.*

*Thank you for being a part of something truly incredible.*

*We can't wait to see you there!*
