Bible Point:

The people of Israel had no idea how to live as God's people. They were like sheep without a shepherd, lost and wandering. Sometimes, we feel this way as well and we try to live by our own foolish standards or by the foolish standards of the world around us.

Gospel:

God gives His people direction and instruction by sharing with them how to live as His people in the Ten Commandments. God seeks us out as we wander and puts us back on the path of following Him.

Jesus Leads the Way:

God has led the Israelites out of slavery in Egypt. He had led them across the Red Sea on dry ground. Now He leads them in how to live as His people through His Commandments.
