# Bible Challenge 4 : Jesus Heals Ten Lepers

2 Corinthians 4:7
But we have this treasure in jars of clay, to show that the surpassing power belongs to God and not to us.

Supplies:
- A penny
- A large, empty, clear glass jar
- Enough water to nearly fill the jar
- A non-see-through plate to cover the jar

Instructions:
1. Look at the penny.
2. Put it under the jar.
3. Cover the jar with the non-see-through plate or other cover.
4. Say that you can make the penny disappear!
5. Remove the cover and slowly fill the jar with water.
6. Promptly replace the cover.
7. The penny will be invisible from all sides of the jar!

Lesson connection:
Jesus made the men's leprosy be gone. He healed them. Why was He able to do this? Because Jesus is God! Jesus heals all of our diseases—either while we are on earth or when we get to heaven. Jesus made something else be gone too—our sin! He loves and cares for us so very much!
